# LEONARD ANTHONY I. GONZALES

**Address:** 187 Feliza Street Parada Valenzuela
**Phone:** 09121060992
**Email:** leonardicayan@gmail.com

## SUMMARY

An enthusiastic IT student looking for an internship to apply and enhance technical and project management skills. Proficient in UI/UX design using Figma and Canva, and front-end development with HTML, CSS, and JavaScript. Skilled in using Visual Studio Code for version control. Served as Document Lead in a thesis project, handling documentation, QA testing, and test case development. Also has a background in basic graphic design and team collaboration. Motivated to contribute to a dynamic and collaborative tech environment.
